BABY STATION FACILITY IS AVAILABLE AT WATERWORLD LADIES TOILET
In the heart of this ancient volcano, according to the legend, a great civilisation arose. The peace-loving nomads from the north settled in this lush green valley, where they built their spectacular Palace, surrounded by abundantly flowing waters and beautiful gardens. After an earthquake destroyed their home, the people fled and eventually, the Palace and its city became completely overgrown. Centuries later, a modern explorer stumbled upon this Lost City. The Palace was restored to its former glory, and re-opened in 1992 as part of the amazing Lost City development at Sun City. The Valley of Waves is open daily, from 09h00 until 18h00 in summer and 10h00 until 17h00 in winter. There is an astounding variety of adventures waiting to be discovered and enjoyed here.

THE BRIDGE OF TIME
This impressive bridge, guarded by mighty elephants, serves to link the Hall of Treasures in the Lost City Entertainment Centre with the Valley of Waves. In order to protect the incalculable riches which lie hidden in the Hall of Treasures, an ingenious mock-volcano regularly erupts, causing smoke and lava to bellow forth from deep within the Temple of Creation.

THE KONG GATES
These massive gates guarded the entrance to the Valley, and can still be seen today.

MONKEY SPRING PLAZA
The Monkey Spring Plaza commemorates the troop of monkeys which saved the ancient tribe from starvation during a terrible drought.

ROARING LAGOON
Enormous waves roll constantly towards the soft white-sand beach.

SACRED RIVER RIDE
This underground river provides a gentle ride for young and old alike as it follows its time-worn path.

TEMPLE OF COURAGE
This death-defying slide plunges down the face of the mountainside into the sparkling pool below.

DIAMOND & GOLD MINES
After the earthquake destroyed the ancient civilisation, the old diamond and gold mines were partly flooded and today provide thrilling semi-submerged waterslides as they twist down Slide Hill.

BOTANICAL GARDENS
There are several different forests in the Valley, namely the Rain Forests, the Baobab Forest, the Jacaranda Forest and the Tropical Forest, containing rare and seldom-seen plant varieties.

SWAY BRIDGE
This bridge was devised by the King to entrap those who wished harm to the Royal Family. It creaks and sways as it spans the yawning chasm over the cascading waters below.

HIDDEN CAVE FALLS
Follow the Hippo Gorge Trail from the foot of the Royal Staircase to the Hidden Cave Falls.

ROYAL STAIRCASE
The Royal Staircase links the Valley of Waves to the Palace of The Lost City via the Old East Gate Bridge.

ADVENTURE PATH
The Adventure Path links the Rain Forests across the Royal Staircase.

GONG OF THE SUN LION
This beautiful gong saved the ancient people by summoning them to the safety of the Royal Arena shortly before the earthquake devastated their homes.

ROYAL ARENA
This beautiful amphitheatre creates an impressive venue for cocktail parties, product launches and theatre acts.

ROYAL BATHS
These Royal Baths, whose tepid waters were reputed to have healing powers, were originally built over a natural spring.

OBSERVATORY BAR
Overlooking the Lake of Peace and the Valley of Waves, liquid refreshments are available daily from 10h00 until 18h00 in summer, and until 17h00 in winter.

MOCHACHOS
Mochachos is ideal for those who need to eat on the run. Tasty fast foods are available from 10h00 daily until 18h00 in summer and 17h00 in winter.

BABY CHANGING STATION
Available at the ladies toilet and at the gents toilet at the locker facilities.

GUIDELINES FOR SUN CITY

AIRPORT TRANSFERS
All scheduled flights are met by Sun City transport. Similarly, Sun City transport is available from each of our four hotels to the Pilanesberg Airport for return flights. Transfers can be arranged from the Pilanesberg Airport to Sun City for all chartered flights at a nominal cost. Please ensure that you notify us in advance of the time of your arrival.

KOSHER CATERING
Regrettably, kosher facilities are not available at Sun City. However, by arrangement, kosher food can be brought in by the organiser to be stored and heated by our catering department. Depending on quantities, a service charge may be levied. Alternatively, kosher food can be purchased by Sun City and charged at the purchase price plus a service charge. A two-week notice period must be given if you require Sun City to source and purchase kosher meals.

CHECK-IN PROCEDURE
Our guest check-in time is at 14h00. If rooms are requested prior to check-in time, early arrivals will be accommodated as soon as rooms become available.

CHECK-OUT PROCEDURE
The check-out time is at 11h00. Luggage can be stored for guests who have checked-out, but wish to stay at the resort until later, by making arrangements with the concierge of the respective hotel.

MENU SELECTIONS
We ask that you advise the Events & Incentives co-ordinator of your selections at your earliest convenience, but no later than four weeks prior to your scheduled function. The menus we suggest are by no means a definitive selection. We would be delighted to submit additional menu proposals according to your particular requirements.

GUARANTEE
The exact number of guests attending a function must be finalised at least 48 hours in advance. This is considered a “guarantee” and will be the basis upon which you will be charged.

LINEN
Table cloths can be selected from our complementary range of black, white, cream and giraffe print. Napkins and overlays can be chosen from the range available at the time of your event. Other linen can be sourced and hired on your behalf at an additional cost.

SEATING
Banquet seating will be rounds of ten people per table, unless otherwise specified. Seating diagrams with numbered tables are available on request from our banqueting department.

OUTSIDE EVENTS
Should there be a report of 40% or more chance of rain, the hotel recommends that the scheduled function be moved indoors to the designated back-up area.
